— COFFEE & NATURE —

Welcome to the Food Forest. We're glad you're here.

Enjoy the beautiful nature, meet new people, read a book, Experience warmth around the campfire, play a game, and begin your journey into the estate's rich program of experiences here. Or not. It's not about having to do anything—it's about experiencing.

We're happy to provide you with a good cup of coffee and our specially prepared dishes: breakfast, lunch, dinner, and snacks. We mainly use fresh ingredients, which means that occasionally a product may no longer be available. After all, we don't like food waste. Would you prefer to eat at your campsite? Feel free to ask for takeaway.

Do you have any questions or dietary preferences? We're happy to think along with you.

Enjoy your special moments.

With love,  
The Food Forest team

---

Welkom in de Food Forest. Fijn dat jij er bent.

Geniet van de prachtige natuur, ontmoet nieuwe mensen, lees een boek, ervaar de warmte rondom het kampvuur, speel een spel en start hier je deelname aan het rijke belevingsprogramma van het Landgoed. Of juist niet. Het gaat hier niet om moeten, maar om beleven.

We voorzien je graag van een goede kop koffie en de door ons speciaal bereide gerechten. Ontbijt, lunch, diner en tussendoortjes. Bereid met voornamelijk verse ingrediënten. Het kan hierdoor een keer voorkomen dat een product niet meer voorradig is. We houden immers niet van voedselverspilling. Eet je liever op je campingplek? Vraag gerust om een takeaway.

Heb je vragen of eetwensen? We denken graag met je mee.

Geniet van jouw mooie momenten.

Liefs,  
het Food Forest-team
